Impact gloves with a knit shell and palm, offering robust cut and abrasion resistance

Impact

Light Duty

Impact gloves with a knit shell and palm, offering robust cut and abrasion resistance

- **Advanced defenses:** Ideal for a wide range of applications, RINGERS® R060 impact gloves offer wearers assured hand safety, having been rigorously tested against abrasion* and cut hazards**
- **Specialized protection:** These RINGERS® gloves are developed with a patented TPR (thermoplastic rubber) design using F3 Technology™, for dexterous, comfortable impact protection
- **Enhanced features:** These safety gloves also feature durable thumb base reinforcement, a non-coated knit palm for absorbent grip and a high-visibility finger design for further enhanced workplace safety
*EN 388 level 4 and ANSI/ISEA level 4 abrasion resistance
**EN 388 level 5 cut resistance and ANSI/ISEA level A5 cut protection
