

Custom-Fit Shelf for Buyers 1702990 Gloss Black Steel Topperside Truck Tool Box

Buyers Part Number: 1702990TRAY

The Buyers Products Shelf Inserts are removable powdered-coated storage shelves that are custom-fit for the Buyers Products Steel Topperside Truck Tool Box series.

- Custom-fit to the Gloss Black Buyers Products Steel Topperside Truck Tool Box series.
- Powder-coated in white or black, these shelves are constructed from rugged 16-gauge steel and will optimize the storage space inside your truck box.
- No tools are required for assembly- each shelf snaps into place using the factory-installed mounting studs on the back wall of the Buyers Products Steel Topperside truck tool box.
- Available in a variety of lengths and sold individually. Select the shelf that corresponds to the appropriate Buyers Products Steel Topperside truck tool box.
