

24x24x60 Inch Pro Series Smooth Aluminum Underbody Truck Box - Double Barn Door, 3-Point Compression Latch

Buyers Part Number: 1705445

Buyers Products Pro Series Smooth Aluminum Underbody Truck Box with Barn Door is designed and built for contractor and professional trucks and trailers to help keep tools safe, secure, and easy to access.

- Maximum Durability, Maximum Protection With All The Features A Pro Would Demand.
- Superior strength and finish with 0.125-inch thick smooth aluminum construction and rigid extruded box frame.
- Doors on the Pro Series truck tool box stay secured with the 3-point locking, die-cast compression latch system
- Protects your tools from moisture and grime with a built-in rain gutter and automotive bulb seal.
- Easy access to truck box contents with swing-out doors and no center post to get in your way.
- Door adjustment or replacement is a snap with our bolt-on stainless steel hinge and solid 1/4 in. pin.
- Made in the USA.
