

18x18x48 Inch Black Smooth Aluminum Underbody Truck Tool Box - Double Barn Door, 3-Point Compression Latch

Buyers Part Number: 1705810

Keep your tools safe from theft, weather, and grime. Heavy duty storage for your service body or flatbed truck.

- Built tough with durable, corrosion-resistant .100 in. thick smooth aluminum construction.
- Corrosion and scratch resistant black powder-coated finish.
- Contents protected by a side-hinged barn style door and aluminum continuous hidden hinge with solid 1/4 in. pin.
- Protect against weather and theft with 3-point locking, die cast compression latch system.
- Can be mounted on either a flat surface or under-bed (under-bed installation requires mounting brackets, sold separately).
- Easy access to contents with double swing out doors (right or left handle mount), flat-surface mounting option, and no center post to get in the way.
- Dust and grime won't get past the built-in rain gutter with D-bulb seal.
- Made in the USA.
