Ball Switch Individually Packaged in a Box

Pollak

Part Specifications

Connector Type: Stud terminal

Functions: Normally Closed

Connector Gender: Female + Male

Terminal Quantity: 2

Terminal Gender: Male (1)

Terminal Type: Screw

Color/Finish: Metal

POP: F
Per Car: 1

Mounting Type: Through Mounting

Notes: Plating

Warranty: 1 year

Grade Type: Regular

Overall Diameter (inches): 7/8

Thread Size - NPT: 9/16 - 18
