## 10 LED Dual Function 3rd Brake Light With Black Swivel Pedestal Base - Red LED/Red Lens

SKU # 33011

Not only do LEDs look better and brighter, but they also last way longer than their incandescent counterparts. Outfitting your big rig with LEDs will allow other drivers to see you better at night while lighting the road better than before.

Warranty 6 MONTHS

## Description

- Polycarbonate lens sonically sealed to housing to prevent moisture intrusion.
- Energy efficient solid-state circuit board engineered for 12V DC systems.
- Dual function red LEDs, perfect for use as a driving and 3rd brake light.
- Black painted housing and 180-degree swivel mounting base.
- Designed with adjustable base mount for inside rear window installation.
