

United Pacific

6 Amber LED Light (Clearance/Marker) With 6 White LED Side Ditch Light

SKU # 39298

Not only do LEDs look better and brighter, but they also last way longer than their incandescent counterparts. Outfitting your big rig with LEDs will allow other drivers to see you better at night while lighting the road better than before.

Warranty LIFETIME

Description

- Quality clear polycarbonate lens with beautiful chrome inner housing.
- Feature 6 bright amber SMD LEDs and 6 additional SMD LEDs as side ditch light.

 Chat with an Expert

- Lens and back housing sonically sealed to prevent moisture intrusion.
- Easy wiring, 3 hardwired leads with .180" male bullet plugs.
- Works with any 12V DC system.
- Surface mount, 3-15/16" center-to-center mounting hole spacing.
- DOT/SAE, P2 and IP67 water resistant.
- Wiring color code: Black=Clearance/Marker light, Red=Ditch Light, White=Ground.
- Recommended plug: item#34191, 34192.
- Note: due to lens design, ditch light may show on side lens when clearance/marker is off.
