Part Specifications

Finish: Metal

Type: 2

Resettable: Modified Reset

Amperage Rating: 10 A

Connector Gender: Male (1)

Connector Quantity: 2

Terminal Gender: Male (1)

Terminal Quantity: 2

Terminal Type: Blade

Voltage: 12 V

Warranty: 1 year

Features & Benefits

Pollak® has been providing innovative designs and high-quality parts to the OEM and Aftermarket Heavy Truck, Off-Road, RV, Marine, Industrial, and Towing Industries since 1909.

- Our Circuit Breakers are feature rich with high grade internal components for precision functional operation
- With industry leading expertise, when original equipment fails our products are designed to fix the inherent failure issues
- As a global manufacturer of original equipment ignition products, we maintain complete quality control throughout the manufacturing process from componentry to finished product
