Part Specifications

Finish: Metal

Type: 2

Resettable: Modified Reset

Amperage Rating: 20 A

Connector Gender: Male (1)
Connector Quantity: 2
Connector Shape: Rectangular
Mounting Location: Wire Lead
Notes: Sealed
Terminal Gender: Male (1)
Terminal Quantity: 2
Terminal Type: Stud
Voltage: 12 V
Warranty: 1 year

Features & Benefits

Pollak® has been providing innovative designs and high-quality parts to the OEM and Aftermarket Heavy Truck, Off-Road, RV, Marine, Industrial, and Towing Industries since 1909.

- Our Circuit Breakers are feature rich with high grade internal components for precision functional operation
- With industry leading expertise, when original equipment fails our products are designed to fix the inherent failure issues
- As a global manufacturer of original equipment ignition products, we maintain complete quality control throughout the manufacturing process from componentry to finished product
